**NOW THAT YOU'VE BEEN
AROUND A WHILE, DO YOU
STILL LIKE THE BUSINESS?**

Yes, how can you ever get tired of sex? We humans are sexual animals for many reasons and I like all of them. However, I do admit that the routine can get a bit tiring; getting up early, working late, constant health concerns. But when you're there on set working with people you know or even a newbie, everything is forgotten and I'm there to perform. And I love to do that.

**HAVE YOUR BOYFRIENDS ACCEPTED
WHAT YOU DO?**

They have to. I'm pretty well known by now, so anyone getting involved with me has to pretty much know what they are getting in for. If I like someone and want to hook up with them and they don't know what I do, I tell them right up front. I don't want to lead them on or have them find out some other way. But when I do hook up with someone outside the business, you can bet they're going to get the best sex of their lives.

A photograph of a man and a woman in an outdoor setting. The man, on the left, is wearing a black t-shirt, a black baseball cap, a gold chain with a large medallion, and light blue jeans with a black belt. He is standing and looking down at the woman. The woman, on the right, is wearing a white crop top, blue denim shorts, and black sneakers with pink laces. She is crouching and performing oral sex on the man. The background features a chain-link fence, a yellow wall, and some debris on the ground.

**WORD ON THE SET IS
THAT YOU'RE A GREAT
COCKSUCKER!**

I'll take that as a compliment, but I do like to do it and think I'm pretty good at it. I really didn't get into sex much until I went to college. I had a boyfriend who really liked his cock sucked and would ask me to do it all the time. Being the 'obedient' girlfriend that I was back then, I'd suck him for hours at a time. We would often miss classes just for some fellatio.

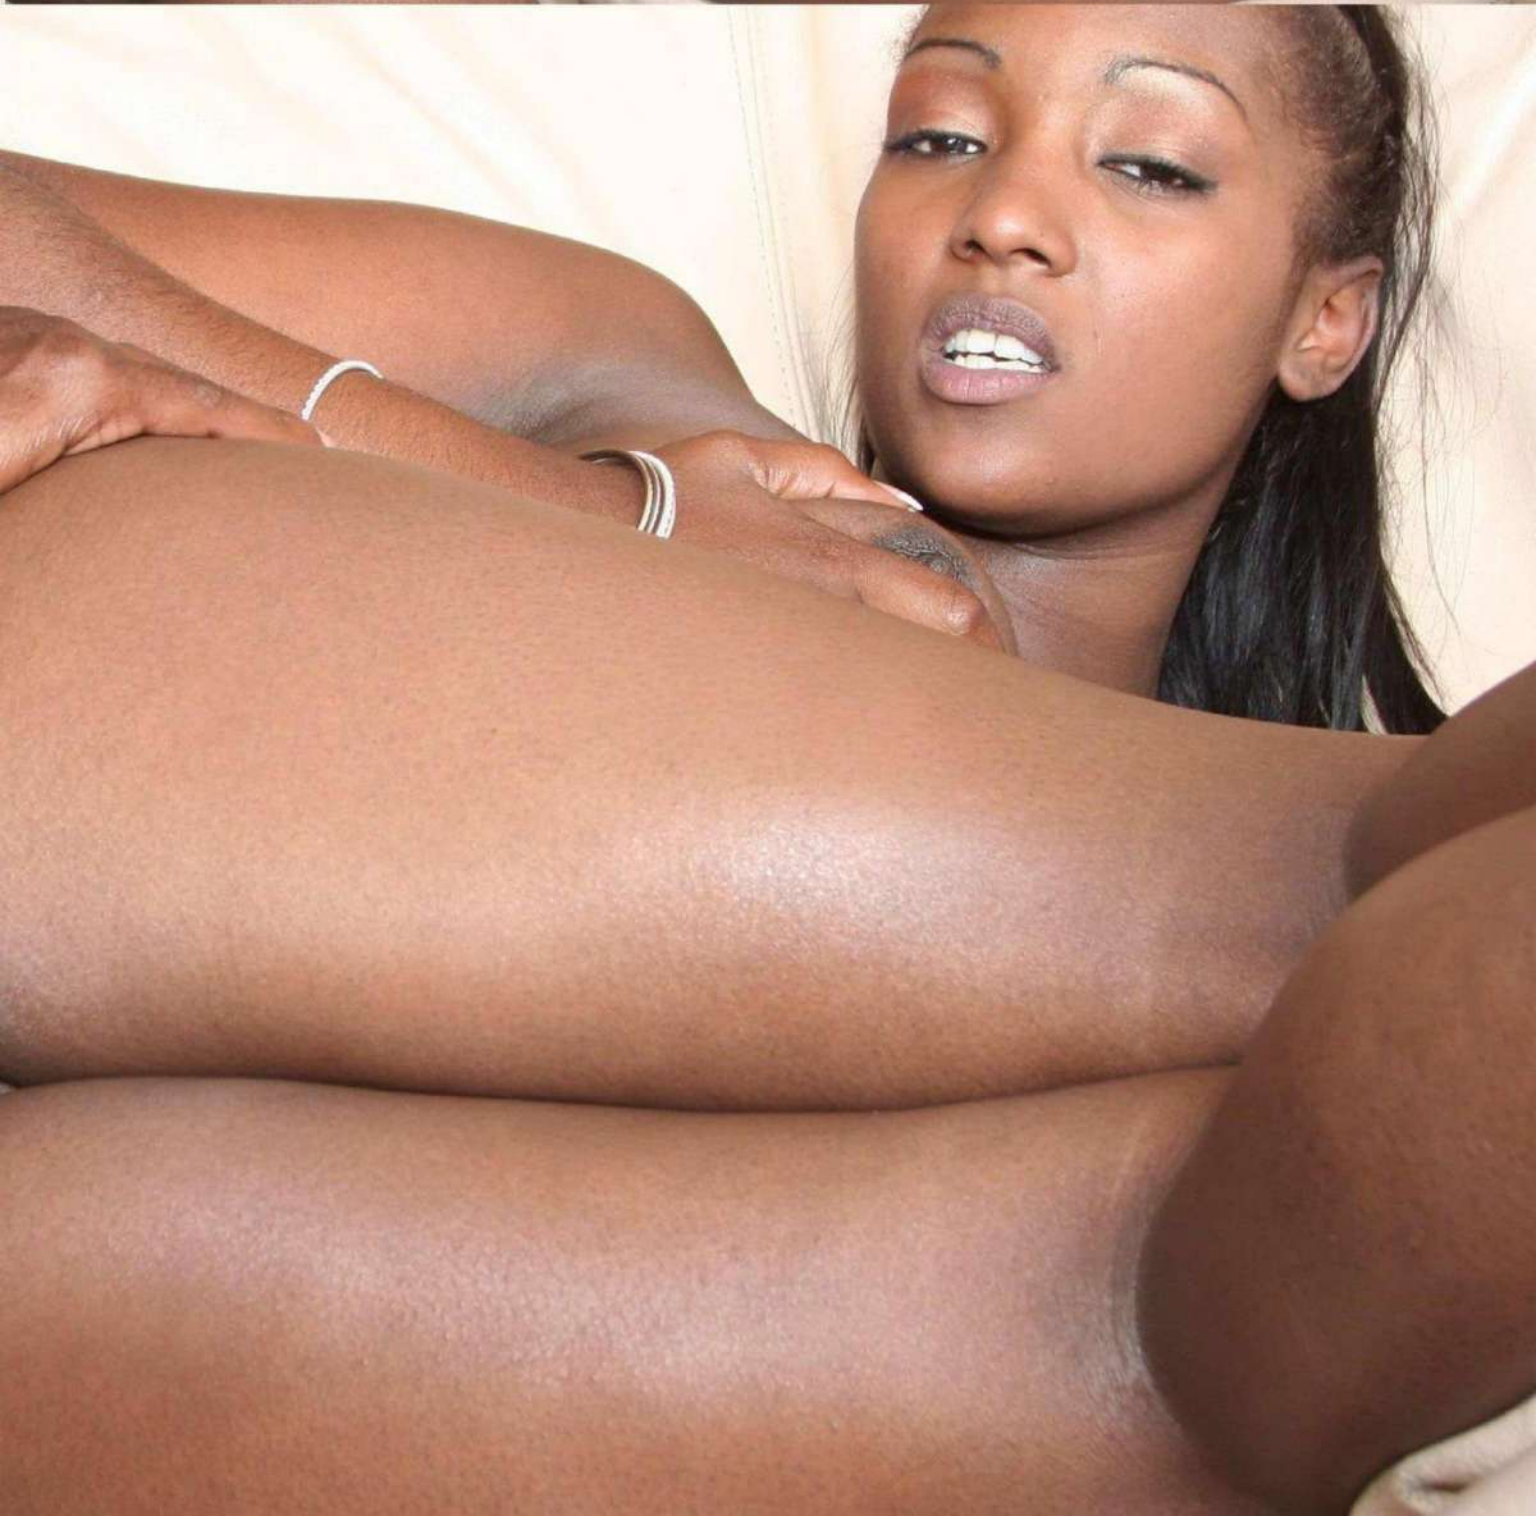

NIYA OPENS WIDE

CAN WE ASK IF YOU SWALLOW OR SPIT?

You can always ask. Well, as you know, on set there is very little swallowing for a number of reasons, so I guess I spit. But during the shoots the money shot is usually on my face, my breasts or on my pussy so it can be seen. In my private life, with my boyfriend, I'll swallow if the time is right. If I know I'm going to swallow, I ask him to flavor it. Pineapple is my favorite. When I ask him to eat that he knows he's going to get one helluva blow job and he's so excited. Me too. When he cums, I can taste the flavor of the fruit and it's quite aromatic.

**WE WATCHED YOU WALK ONTO THE SET
AND DAMN, YOU GOT ONE FINE BOOTY.**

Why thanks. I was blessed and I try to keep in shape. I run do Zumba a few times a week and do a few different butt exercises when I can. Love to go to clubs and shake it there. That's the best exercise of all. I even will clench my butt muscles when I'm riding as a passenger. I know the guys want to get behind a nice looking ass when they're fucking doggie style, so I do my best to keep it looking good for them, as well as myself, of course.

**WITH SUCH AN INVITING BUTT, HAS
ANYONE CUM IN THE BACKDOOR?**

Ha, that's putting it out there in a cute way. The honest answer is yes, but very selectively. It's not at the top of my to do list, but in my private life, if I'm really into the guys and really into sex with him, I'll do it. On the set, very rarely. But I do like to be licked and fingered back there. I do like the sensations, and something small and smooth will feel good, but a big-ass cock jamming me in there? I don't think so. Besides, I can only do it if I feel really clean and have prepared for it.

MUST BE OVER 18 TO CALL

Dear Editor: Where have all the good men gone?

I'm the type that knows what I want sexually and I am not afraid to go after it. All week I work my butt off but when it comes to the weekend, it's my release, emo-

tionally, and sometimes physically. And when I go out, I'm not looking to pick someone up. I go out to socialize, drink, and to dance. Sometimes dancing provocatively gets me attention that I'm not really seeking. But I'll let myself go and see what happens. However, tonight I really felt like I needed a man. A good man. A really good man!

I was at the club's bar waiting to meet my friends. In the huge mirror behind the bar I could see the entire club, as well as myself. Here in Kansas City, it was late summer and the temperature was still relatively warm, so I dressed in a rather skimpy purple vest top,

which was very tight fitting, a short, tight purple leather skirt and heels. My vest showed my bronze boobs off to perfection. I hadn't always had great boobs, but I really blossomed at sixteen, and while they weren't large, they were very pert, topped with ultra sensitive nipples. I was known among my friends for having bullet like nipples, and now was no different. I was sans bra and my nipples were poked hard at the material. Sometimes, they were a pain in the ass, but on nights like tonight, they were a definitely a godsend.

Sitting there, I got a text message from my friends saying they were running a little late. So I decided that I might as well make the most

of it, so I ordered another glass of wine from the bartender. Fuck it I thought to myself. Let me see if I can get some action before my friends arrive. And when the do, they'll have to find there own, because I'm not in the mood to share.

I finished my drink, tipped the barkeep and decided to check out the club. I made my way to the dance floor and started to look around for a guy that I'd find attractive and unattached. Within a few minutes I saw a guy that fit the bill. In the dark club, he looked about 25 with a nice shirt, jeans properly around his waist, and nice-looking shoes. Very important. As I made my way towards him, we made eye contact and I smiled at him. As he approached me, we instinctively started to dance, getting closer and closer.

When I dance with a guy, knowing that inside his pants he's getting gradually harder and harder because of my actions and my fleeting touches. After about fifteen minutes of dancing with him, kissing and touching him on the dancefloor, I whispered into his ear. "I'm going to fuck you, now. In the restroom." Without giving him the option to answer, I grabbed his hands and started to pull him towards the ladies washroom. The ladies restrooms were generally not monitored. If there was to be trouble, it would come from the

I started to give him my patented blow job and I sensed he knew it. I licked and sucked all around his penis and dug my nails into his butt cheeks..

men's room. At first, he was a little worried about going in the ladies room, protesting that people would think he was a pervert, but after I asked him if he wanted to fuck me or not, he complied, holding my hand and slipping into the nearest free cubicle.

I squatted in front of him, the leather squeaking against my dark skin. I licked my lips as he watched and I totally engulfed his cock in one motion. It disappeared entirely in my mouth, my lips closed around it and I slowly backed off, eyes looking up at him. I started

him. As I lowered myself onto his lap, I put my hands on his shoulders and looked into his eyes.

I undid the remaining buttons on my vest and my boobs bounced out of their restraints. My nipples were hard, and I knew if he sucked them, it would get me closer and closer to the edge. But rather than sucking my nipples, he just grabbed my tits and held them like he was riding a bike. It wasn't quite the same intensity, but it still felt good. After a few minutes of sliding slowly up and down the shaft of his cock, I could tell by the increased rate of his breathing and the way his legs were starting to twitch that he was close to cumming. I needed to get closer myself, so I jammed my body down and changed from my previous gentle motion to a harder, grinding forward and backward motion, making sure my clit was pressing hard against his pelvis.

But I still wasn't ready, so I stood up and turned around to face the door and I bent over a bit to shove my butt in his face. I wiggled backwards until I felt his lips on my pussy. His hands came around and pulled me deeper into him. I felt his tongue lick my outer lips and push it's way into my sopping wet hole. I reached up to brace myself on the door and bent over more to give him better access to me. His hands moved around to my butt

Locking the door behind us, I told him to sit down, and get his cock ready for a fucking. He did as I asked and pulled his jeans and boxers down around his ankles. I reached over and grabbed his semi-erect cock and stroked it to full hardness. I bent over and gave it a quick lick and straightened back up to slip out of my thong and stuff it in my bag. I lifted my skirt, gently rubbing my clit for a few seconds so he could see while I continued playing with his cock. Then I decided to get at it. His smile told me he was enjoying himself.

to give him my patented blow job and I sensed he knew it. I licked and sucked all around his penis and dug my nails into his butt cheeks as I pulled his hips into me to swallow that cock of his.

I then pushed him down on the seat and straddled over him. First, I lifted my skirt and put my wet pussy near his face. He leaned forward as if to lick it but I sat down on his cock. By this time, I was dripping wet, and his cock slipped inside me with relative ease. I could feel his muscles twitch as he felt me tighten myself around

and he squeezed my buttcheeks sending me deeper into pleasure. I felt his tongue slide up and lick my buttole, but I'm not ready for that with him, so I pulled myself forward, reached down between my legs, grabbed his cock and guided it into my pussy as I sat down on him, reverse cowgirl style. With hands on my hips, he pulled me down, too, and the final workout began.

I bounced up and down on his cock, shaking the toilet and stall. He struggled to stay on the seat, but still managed to grab my boobs from behind and pinch my sper-hard nipples. This was now strating tor eally send me over the edge. And him too, apparently, as I felt him begin to tighten up, I reached under and grabbed his balls and spun them around in my clutch until he came inside with a muffled scream. Although the feeling of his hot cream spurting inside me felt fantastic, it didn't quite push me over the edge. With his cock still in me, I quickly started to rub my clitoris while he watched in a daze. Within a few seconds, I felt the wave of an orgasm start to spread throughout

my body. A sense of self satisfaction followed.

I finally stood up and grabbed some toilet paper to plug me up and keep his splooge from messing me up. I realized I didn't actually know his name but gave him a quick peck on the cheek, and following a quick clean-up, we opened the cubicle door and walked out of the toilet. My sense of pleasure was enhanced by the knowing glances and smiles I received from the other ladies in the toilet. Admittedly, we were so unaware of others being in the restroom, but they were all cool. We headed back into the club and settled again at the bar. He ordered up a couple drinks for us as I felt a small hand on my shoulder. It was my friends finally arriving – an hour too late. But I didn't mind. I had spent the hour the way I wanted. I didn't bother to introduce them and we danced, drank and talked. After a while, I told them I had to use the restroom. I looked over at him. I left first and a few minutes later he followed. Round 2.

Violetta - K.C.

"Come here and lick me." she ordered. I put down my brush and entered the bedroom and saw she had laid back on the bed and spread her legs wide.

To editor: A short letter because it was short.

I was painting these rich people's indoor stairwell when the lady of the house walks slowly up the stairs past me without looking at me or saying a word and went into her bedroom without any attempt to close the door. She stood in front of the full length mirror and took off her dress. I couldn't help but watch and she must realize I was watching, no? She moved her hands behind her back and unclasped her bra letting it too fall to the floor. Her boobs were beautiful, yes! She ran her hands over them and squeezing them as if admiring how good they looked.

"Do you like them?" she asked suddenly turning towards me. I struggled to find any words and just managed to squeak a 'yes.' Her ass was really sexy too as she turned to face me for the first. She walked over to the bed and said, "Come here and lick me." she ordered. I put down my brush and entered the bedroom and saw she had laid back on the bed and spread her legs wide. I moved in between her legs and pushed my tongue into her deliciously wet pussy. She tasted real good. A moment later I could feel all the muscles in her pussy contracting as she came. I got up, grabbed my brush and went back to work.

I heard that. Okay, so it's for the
secret agent. My parents loved
Get Smart, even if it was in re-
runs, and I watched it with them.
I liked the name so I adopted it for
my career. But don't you want
to talk to me about sex. Don't
you want to know who I like to
fuck? Don't you want to know my
favorite sexual positions? Don't
you want to know if I fuck girls?
Don't you want to know where
the weirdest place was that I
had sex? Don't you want to
know any of that, or just
where I got my name?**

**99'S

**OKAY, YOU GOT US... WHO'S YOUR FAVORITE STUD?
AND DO YOU THINK MAXWELL SMART AND BB EVER GOT IT ON?**

**You are relentless, but cute, so I'll tell you. I like
Byron, of course, but I also like Sean and Lex and
Wesley and Jack. Hell, I like them all. Each one
brings something different to the set and I like how
that makes me feel, because I can be a different
person with each one of them. Also, each has a
huge cock, but they're all unique. I also like the fact
that several of them have their own companies, so
there's respect for that, too. You go, guys!**

SHYLA AND LUCY IN DOUBLE TROUBLE

**YOU TWO LOOK LIKE TROUBLE WAITING TO
HAPPEN. ARE YOU?**

SHYLA: Not really. We're just waiting for our co-star to arrive so we can fuck his brains out, but they haven't told us who it is. So we decided to have fun with each other.

LUCY: Yeah, but I don't want to wait too long with these luscious lips and beautiful black pussy in front of me. What would you do?

SHYLA: You're right. There's nothing like sweet pussy to get my juices flowing. I think I'm getting wet just talking about it.

HEY DUDE, GLAD YOU MADE IT.

DUDE: Yeah, man. That L.A. traffic's a bitch. Took me an hour to get here from Studio City. I see the girls have started without me. That's okay. Mind if I watch for a while. I love to watch two chicks making out and fucking each other. It gets my blood to boiling and my cock to rising. I'm telling you, man, I'm the luckiest dude in the world getting to do two girls at one time. Man this is any guys wet dream.

are you an ass man?

Not sure? Well, then, take our handy-dandy quiz, add up your points, and find out!

Sure, sure, you think you're an ass man. But are you really an ass man? We mean a die-hard, dyed-in-the-wool, serious anal-yst – the kind who would crawl through broken glass for some fine ass.

1) When first meeting a woman, do you...

- A) Look her in the eye and shake her hand.
- B) Check out her boobs.
- C) Unobtrusively angle your head to get a view of her ass.
- D) Walk behind her, give her ass a squeeze and exclaim, "Damn, you got some fine booty, girl!"

2) At a party, you spy some fine lady squeezed into pants so tight you can make our her butt crack and camel toe. As an icebreaker, do you...

- A) Wait for her to examine a piece of artwork or sculpture, and start chatting with her about it.
- B) Introduce yourself and offer to freshen her drink.
- C) Walk up to her and say, "I'm like chocolate – I go straight to your ass!"
- D) Get her drunk, find an empty walk-in closet, and do her ass six ways to Sunday before she knows what hit her.

3) You're with your lady on the street, and she sees you checking out some other girl's bodacious butt.

Do you...

- A) Immediately apologize, say you weren't thinking, wonder how you could be so stupid, and offer to make it up to her with a fine dinner and a foot massage.
- B) Tell her, "No, no! She was wearing a belt like one I saw in a catalog and wanted to buy you! C'mon, baby, let's take you clothes shopping!"
- C) Say, "Aw, baby, I was just thinking how much hotter you are and how lucky I am!"
- D) Say, "Shit, yeah! Come on,

baby! Let's go see if you, me and her can go ba-danga-dang, all three of us, damn! Whatcha say, girl? Am I big enough for both yo' asses?"

4) You ladies, do you like it in the butt?

- A) Yeah babe, isn't that why god put it there?
- B) I don't think so. It's a one way hole, OUT!
- C) It's okay if I'm in the mood and I'm never in the mood.
- D) If I'm drunk and I like you, then you can do anything to me.

- 1) A) B) C) D)
- 2) A) B) C) D)
- 3) A) B) C) D)
- 4) A) B) C) D)

A QUIZ

are you an ass man?

5) True or false?

A hand in the ass is worth two in the bush.

6) Match the ass below with the adjective:

"Ass." "Butt." "Rump." "Trunk." "Booty." "Bootylicious."

Can you list six more synonyms for a woman's posterior:

7) Can things besides tits and asses be considered "bodacious"? Explain on a separate sheet of paper.

8) Math Problem

If a woman with a gorgeous booty leaves a party at 10 p.m. traveling 3 miles an hour, and a woman with an outrageous ass leaves a party at 10:15 p.m., traveling 2.5 miles an hour, at what time will the 2 do 69?

9) Fill in the blanks:

A) A woman with a firm, tight butt is like a _____ but with a different _____.

B) An amazing ass is to an admiring man like _____ is to a galloping zebra.

C) The curve of an ass is like the _____ of a sunset, or maybe a bagel.

D) If a great ass were the flavor of peppermint, then an average ass would taste like _____.

E) The shortest distance between a gorgeous butt and your bedroom is _____.

10) You're getting intimate with a new woman, and want to broach the topic of anal sex.

Do you...

A) Use massage, licking and careful fingering to gauge her nonverbal response to stimulation around her rectum.

B) Wait till she orgasms, then put a finger in her rear and see what she does.

C) In the midst of sex, rub your erection up and down her ass crack, insinuating how you want to probe her fine hole.

D) Get her all hot and bothered, then when she's moaning and begging, slip it into her ass, start banging away and come in her before she knows what hit her. Then it'll be all, like, "Damn, baby! Look how you puttin' my cock up your ass! Holy fuck, girl! You are the hottest fuckin' lady I ever been with! Damn! You had me in there before I could stop myself! My God, baby, you are a woman and a half! C'mon, let's go shower and see what comes up...."

Score: Well, go and out do so.

You don't need our permission!

WE HEARD YOU DID A SCENE EVERY
DAY THIS WEEK. DOES THAT MAKE
YOU A SEX FREAK?

I guess you could say that it does,
but I don't think of myself like that.
I love, love, love sex so it's not
work for me. It's a passion. What
you don't know is that I had sex
almost every night this week, too.
But really, it's not all guys fucking
me. I love girls and that sex is much
easier on my body than with a guy.
If my pussy is loved by a woman, it
can take quite a bit of loving. But
with a guy, I need a break for at
least a few hours.

YOU AND NATHAN SEEM TO LIKE EACH OTHER. HOW IS HE AS A LOVER?

Are you kidding? Look at this man. He's fit, very attractive, soft spoken but confident, and he's got a perfect nine inch cock that I love to suck. If I remember correctly, it was a few years that I met Nathan. He was about to do a scene with my girlfriend. Well, she ate something bad at lunch and threw up a few times. He came over and asked me if I would do it with him. I said I would. He was a great fuck and we became instant friends. The rest is history.
